Lelani Oh yeah? She told you? She told you what she did? The *stomme kankerwif*! My boss comes home and finds me crying and asks me why so I tell him and then he loses his shit and starts shouting like an asshole because he's in love with me or something and I slept with someone from work and so I said 'Fuck you!' and I left and now I have no job and nowhere to live and it's all because of that *verdomde kut hoer*!

Lelani (off) Alice?! Alice, where are you?! Alice?! Alice!

She re-enters.

She's not here! Where is she?!

Lelani Duh. You think I care about her? I am twenty-one years old. There are lots of people out there who would want to be with me.

Josh Oh. Well, yeah, absolutely.

Beat.
